

Morning Work Tubs for February

About this Resource

Are you looking for an alternative to traditional paper-and-pencil morning work?

Are you looking for hands-on, developmentally-appropriate classroom activities?

Are you doing morning work tubs, but struggling to compile enough activities for all of your students?

You are in luck! I created this set of morning work tub activities to help teachers plan and prepare for morning work tubs. My activities use supplies and manipulatives commonly found in most classrooms, such as playdough, counting bears, and more! Take a peek at the 20 activities included in this pack!
