

GROUNDHOG DAY

LITERACY & MATH CENTERS

BY KATIE ROLTGEN

About This Resource:

This resource includes ten Groundhog Day-themed centers that are designed for kindergarten. There are five literacy centers and five math centers.

Each center includes either a practice page or a recording page.

The Sight Word Writing or Building center is editable in Adobe. If you are unable to edit the words or if they're not showing up, you need to save the file to your computer and re-open it in Adobe. It will not work correctly otherwise.
