# Butterfly Addition

The image shows a worksheet for a game called "Butterfly Addition". At the top, the title "Butterfly Addition" is written in a large, black, sans-serif font. Below the title, there are two butterfly cards. Each card features a colorful butterfly with a blue body and yellow wings with pink borders and small pink dots. The first card has the number "2" written below it, and the second card has the number "5" written below it. Below the cards, the worksheet has a section with a dotted line border. It starts with "Name: \_\_\_\_\_". Below that, the directions are written: "Directions: Pick two butterfly cards. Add the numbers and record the addition sentence. Then, mix up the cards and repeat." Below the directions, there are several boxes for recording addition sentences. The first box contains the equation  $2 + 5 = 7$ , with a purple pencil pointing to the equals sign. The second box contains the equation  $\underline{\quad} + \underline{\quad} = \underline{\quad}$ . The third box contains the equation  $\underline{\quad} + \underline{\quad} = \underline{\quad}$ . The fourth box contains the equation  $\underline{\quad} + \underline{\quad} = \underline{\quad}$ .
