

WELCOME TO PRESCHOOL, PRE-K, & TK!

WHAT'S INCLUDED:

I created this pack after receiving many requests for a Welcome to Preschool/Pre-K/TK pack like my Welcome to Kindergarten pack. I changed anything that said "kindergarten" to "preschool", "Pre-K", and "TK". The other pages are the same as the kindergarten pack.

This pack includes printable activity pages for the first day of school. It also has dozens of skill practice pages that you can use throughout the year. There are also first day awards, an editable class list page, and more!
