

TURKEY

NUMBER ORDER

CRAFT ACTIVITY

By Katie Roltgen

About This Resource:

This is a craft activity for practicing numbers to ten. Students will trace the number on each turkey feather. They will color and cut out the turkey pieces. Then they will arrange the numbers in order and glue the turkey together.

There are two number options: one with directional arrows and one without. Choose the best option for your students.

Supplies Needed:

Turkey body template

Turkey feet template (2 per student)

Turkey feather pages

Orange paper strips (2 per student, not included)

Crayons

Scissors

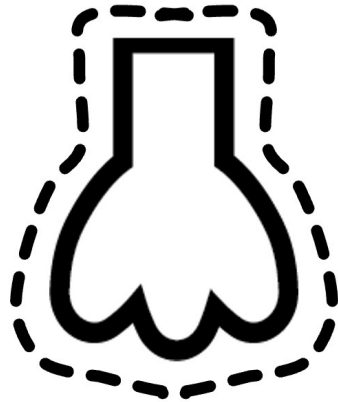

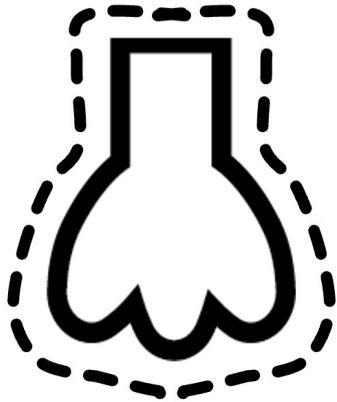

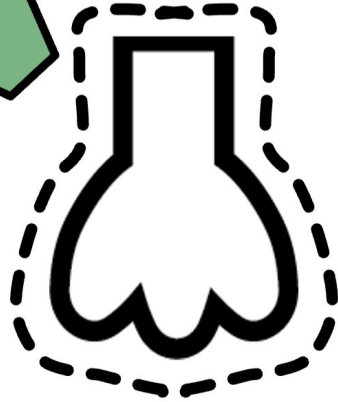

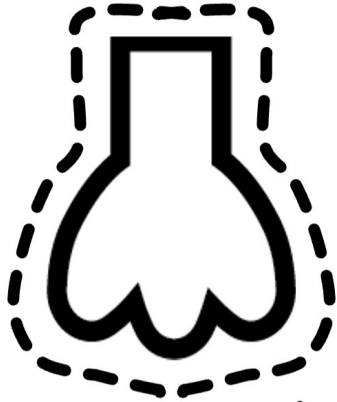

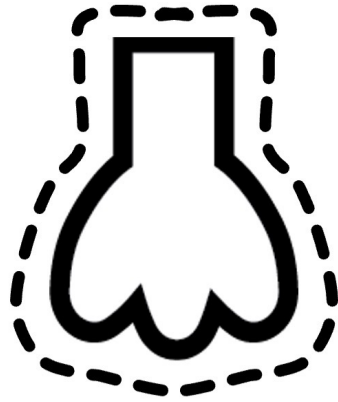

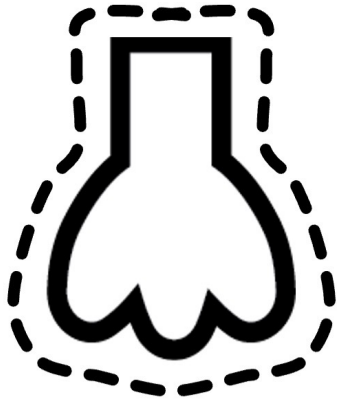

Glue

How to Assemble:

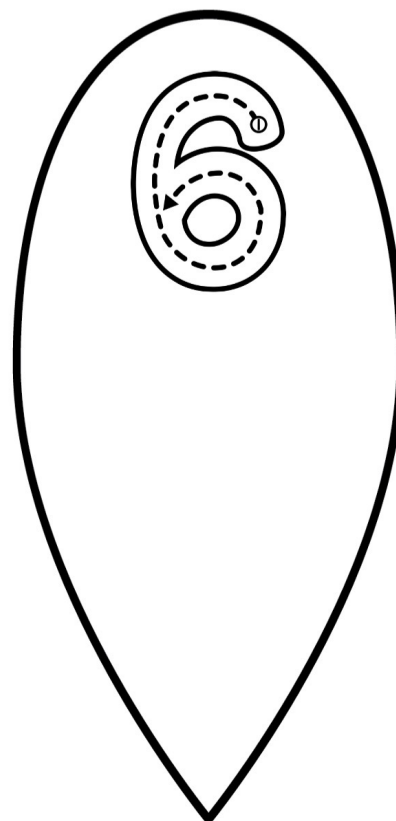

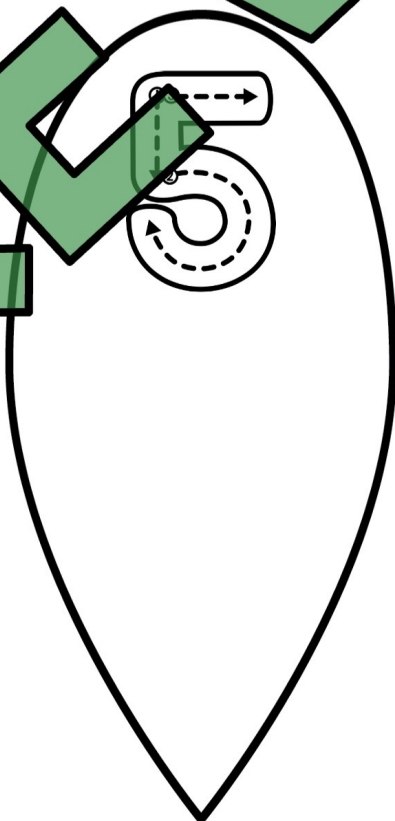

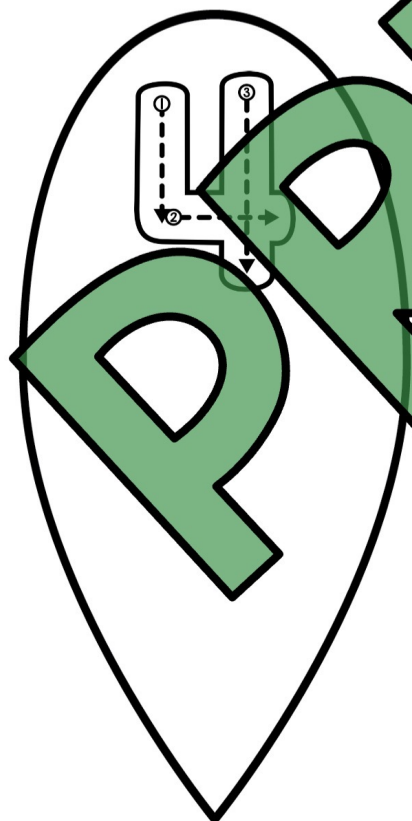

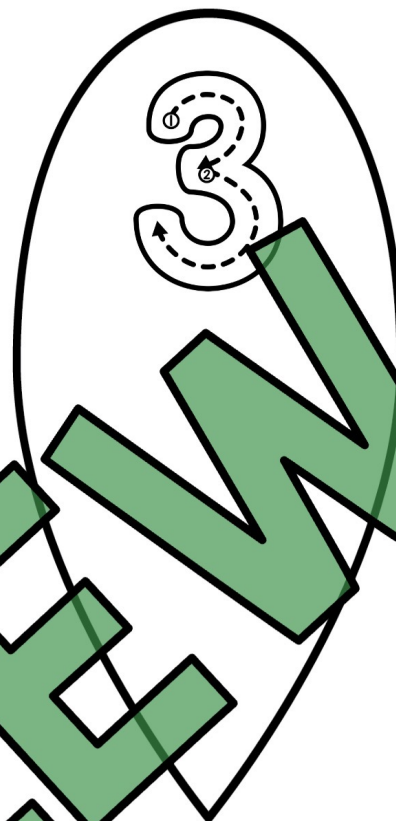

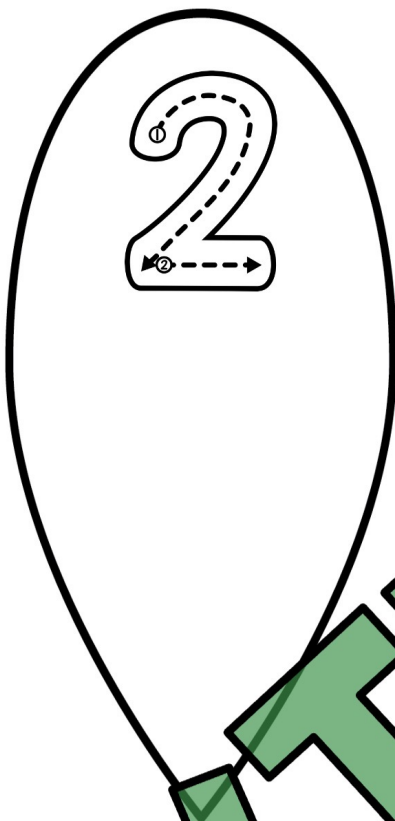

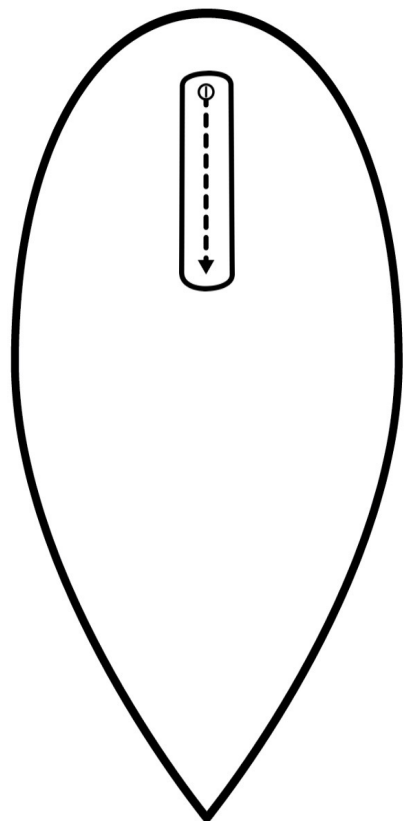

1. Trace the numbers on the feathers.
2. Color all the turkey pieces – body, feathers, and two feet.
3. Cut out the turkey pieces.
4. Put the feathers in number order, then glue them behind the turkey's body.
5. Take two orange paper strips. Accordion fold them and glue the tops to the bottom of the turkey.
6. Glue the feet on the bottom of the paper strips.
7. Write the number 10 on the turkey's body (as shown below).
